Title and Purpose of the Meeting

Title: Meet- 7th March

Purpose: To discuss the batch to be created by our team

Important Highlights of the meet

Meeting Discussion

In this 2 hour long meet all the team members interacted with the UI/UX designer to understand and clarify the doubts regarding the pages of the website they will be creating . Our team has been assigned to create various pages and features of the website (example: dashboard). This work was divided equally amongst the 4 team members and each person asked doubts regarding his page with the help of FIGMA file made by the UI designer.

Future Action Plan

To design the assigned pages in number of sprints where the 1st sprint is supposed to end around mid-march. The work will be reviewed after 1st sprint and based on the feedbacks, 2nd sprint will commence till the 1st Release of the product.
