Title and Purpose of the Meeting

Title: Meet- 6th March

Purpose: To discuss the further batches of website

Important Highlights of the meet

Review of Previous Work

All the teams under Venture Vault met in an online G-Meet to discuss and review the 1st batch of the website that was completed by one of the team and we all went through the FIGMA file of the UI/UX website of the website . We were also given updates regarding Venture Vault from the Client's side.

Future Action Plan

Batch 2,3,4 of the website were divided among all the 3 teams of venture vault . Individual batches will be discussed elaborately individually for all the teams with UI/UX designer discussing each aspect of each batch so that all the batches are completed parallelly and in time.
