Title and Purpose of the Meeting

Title: MVP feature discussion

Purpose: To discuss about the first basic feature that is to be implemented by our team in the minimum viable product of the Venture Vault

Important Highlights of the meet

Review of Past Work

SOP created by our team was finalized and it was released to the rest of the teams under Venture Vault. Then we were given the task about portfolio management that is to be implemented by our team. In past meets we were given instructions and requirements about portfolio management feature.

Future Action Plan

1. Finalizing the workflow of the feature.
2. Cost estimation .
3. Beginning of coding of the above mentioned feature
